

BATH CITY SUPPORTERS SOCIETY

Motions for 2017-18 IGM

The Bath City Supporters' Society Board would like to invite all Bath City Supporters' Society members to propose "Members' Vote" motions for debate at the IGM which will be voted upon at the meeting by those present and by proxy to the IGM on Tuesday 16th January 2018. Unlike resolutions at AGM, these motions are non-binding, but the Society Committee is obliged to consider and respond to them.

Following the rules of the Society, any member may put forward a written motion for debate at the AGM. Please state below any motion submitted by you and return the form signed by yourself as proposer and seconded by another member of Bath City Supporters' Society.

If submitting by email, please ask the seconder to email the Society separately to confirm the seconding – both proposer and seconder will be asked to sign a paper copy at the AGM itself. Please note that the legality of this motion is subject to scrutiny by the Society Board whose decision will be final. The proposer must attend the AGM, propose the motion and after the debate may have the right of reply before the motion is put to the meeting for resolution.
