

Society Representative on Club Board: Role and Responsibilities

last updated Sept 2016

current incumbent: Shane Morgan (elected 2016-2018)

NB. This is a special role insofar as any Society Representative on the Club board is first and foremost a director of Bath City FC Ltd. Below are listed the additional obligations that the Society expects of its representatives on the Club board. It falls on each director to exercise their individual judgement in balancing their joint obligations to the Club and the Society.

For clarity, this means that the Society representative is not a delegate of the Society board and is not required to carry out the instructions of the Society board.
